SHERWOOD FOREST NEIGHBORHOOD ASSOCIATION

FEBRUARY GENERAL MEETING TO FEATURE INFORMATION ON NEIGHBORHOOD CRIME PREVENTION.

Every neighbor in Sherwood Forest should plan to attend the next general meeting on Tuesday, February 24, at Barton Elementary cafeteria to hear a presentation from an officer from the Irving Police Department on how to prevent neighborhood crime. There will be tips on preventing home burglary as well as personal safety. The program will begin at 7:00 pm with an introduction

of the new Sherwood Forest Neighborhood Association board officers for the 2004 term, and some information on plans for the coming year. The Police presentation will follow. Refreshments will be available, as always, provided by your Association board. There will also be a 50/50 prize and a door prize drawing.
