Dear Parents,

We are writing this letter to inform you about an alleged incident that took place this morning. Two students reported seeing what appeared to be a male student being placed in a van against his will.

We contacted the Irving Police Department and Irving ISD security. We have confirmed the safe whereabouts of all of our students. Parents please reinforce safety rules in traveling to and from school with your children and make sure to inform the school when your child is absent. Thank you for your cooperation.

Sincerely,

Jane Lampton
Principal
